

**DERBY PUBLIC SCHOOLS**  
**2009-2010 Derby Public Schools Bus Routes**

Nancy O’Dea-Wyrick school business manager announced the routes and schedules that will begin Monday, August 31<sup>st</sup> for all Derby Public Schools. Derby High School and Derby Middle School detention buses will start Thursday, September 3<sup>rd</sup>. She recommends that parents clip the schedule for future reference. Parents should write or print the names of their kindergarten and first grade child’s school, home address, bus number and bus stop on a card and pin it on their child’s clothing during the first three days of school.

It is further suggested that students be aware of changes that have been made in routes, as some stops have either been combined or dropped. Students should also recognize that buses will be utilized to full capacity on all routes, and thus maximum legal seating regulations will be in place. During the first few days of school, the bus program may not follow the exact time schedules, as students and parents need time to become familiar with the operation.
